

Product description:

100% Brand new and high quality

Type: B / SMT

Micro USB Series

Number of pin:5 Pins

Gender of Connector: Female

Contact Resistance: 30m Ohm

Insulation Resistance: 100M Ohm

Withstand Voltage: AC 500V(50Hz)/min

Operation Temperature Range: -20 to 85 degrees

Durability: More than 5000 Times

Mobile phone and digital product, connectors of correspondence and network equipment.

RoHS

Package included:

- 50 x Micro USB Type B Female 5Pin SMT Socket Jack Connectors Port PCB Board
